

I adamantly oppose any attempt by anyone or any business firm to challenge and weaken Indiana's Telephone Privacy Law. Even though I have established business relationships with various companies, I do not wish to be solicited by them or anyone else without my consent. Doing business with a company does NOT mean I consent to their solicitation at will. The Indiana Attorney General has relieved much annoyance by giving consumers some peace from unwanted calls. I pay for my phone service and do NOT appreciate unwanted calls. Please keep Indiana's Telephone Privacy Law strong and effective. Thank you.
